Evidence of transmission

This receipt records that the documents listed above were sent by fax to the IRS fax number shown, and that our fax carrier, Telnyx, reported the fax as delivered at the time shown. Filing details are shown as you provided them.

It is evidence of transmission only. It does not confirm that the IRS has accepted, processed or recorded your filing, and it is not a statement that your filing is timely, complete or correct. Keep this receipt with a copy of the documents you sent.
